
A Message from the ICSJ Parish Refugee Effort Committee

We Surpassed Our Fundraising Goal!

Thank you to all who recently contributed to our Refugee Family Collection. **WE WERE ABLE TO RAISE \$20,469** to support the family that arrived in Chicago on March 29th from Afghanistan (stay tuned for more news on their arrival)—far surpassing the \$8,000 we needed.

Besides this incredible financial support, so many of our parishioners have graciously offered to help the family get settled and adjusted in our big city, and offered other services as well.

The response has been phenomenal.

Thank you for your generosity and support.

This has been a great hallmark of our Lenten journey this year!
