• *So... What Are You Thinking?*

Thank you to all who participated in the Gallup-Poll Survey that was conducted at all the Masses last weekend. The purpose of the survey is to simply help our Parish Staff measure the various ways that people engage, or perhaps don't engage, with their parish today. The survey also helps to assess the overall spiritual health of our faith community.

So far, after our first weekend of conducting the survey, 381 surveys were filled out and returned. Given the fact that we usually get about 550 persons attending Mass on a weekend, I hope we can get about 500 surveys completed so that we can gather input and feedback from all areas of our diverse parish.

This Sunday, there is a table set up in the back of church where you can take the survey before or after Mass. There are 25 simple questions, and it only takes about 5 minutes to answer them. Again, your answers are anonymous. If you have not taken the survey, PLEASE DO. You can also complete the survey by going on-line and punching in [www.icsjparish.org/survey](http://www.icsjparish.org/survey) into your browser. Again, thank you for your help, support and input as we take the "spiritual pulse" for our parish and plan for the future.

• *\$2,557 a Day*

Included in today's bulletin is the Annual Financial report that has been prepared for us by our Parish Finance committee. Please take the time to read through it. The reality is that it takes **\$2,557 a day** to run just the parish. Or, another way of looking at it is, that it cost **\$76,710 a month** to run our parish. We try very hard to balance our Operating Budget.

Thank you for your Sunday contributions that directly support our parish ministries. We are all called to be the faithful stewards of all that God has entrusted to us. Please take a few minutes to prayerfully review your financial support to the parish. Maybe you are now in a position to make a contribution, or perhaps to increase your present weekly offering by a few percent?

Note that our Parish School receives no subsidy from the parish. School tuition and fundraising actually covers all of the costs of running the school.

If you have any questions about the finances of our parish, feel free to contact any one of the members of the Parish Finance Committee. They would be glad to sit down and go through the numbers with you.

• *Running On Empty*

As you can tell from this picture, the shelves in our Parish Food Pantry are almost empty. We are in serious need of donations for the coming winter. Throughout the month of October, as part of Respect Life Month, we are collecting non-perishable items for the poor. You can take a brown grocery bag home with you today from church, and bring your food donations back next weekend. Whatever you can give will make a big difference for those who look to us for help every week.

• *Remembering the Heroes of Our Church*

This week the Catholic Church will celebrate two very important feast days and give reverence to those who have gone before us in faith. The Feast of All Saints is on Friday, November 1<sup>st</sup>, which is a holy day of obligation. Masses in the parish will be celebrated at:

7:00 a.m. at Immaculate Conception Church  
Fr. Larry Lisowski

10:00 a.m. at Immaculate Conception Church  
Fr. Larry Lisowski  
*Students from our North Park Campus  
will be present.*

10:15 a.m. at St. Joseph Church  
Fr. Larry McBrady  
*Students from our Hill Street campus will be present.*

6:00 p.m. at Immaculate Conception Church  
Fr. Larry McBrady

Also note that St. Michael's parish in Old Town, our Catholic neighbors to the north, will be celebrating Masses on November 1<sup>st</sup> at 8:00 a.m.; 12:00 noon and 7:00 p.m.

We remember the heroes of our Church who faithfully embraced the mission and ministry of Jesus Christ. Often it was through their simple and ordinary actions of kindness and compassion that they lived an extraordinary and holy life.

On Saturday, November 2<sup>nd</sup> we celebrate the feast of All Souls. We hold in our prayer, all of our loved ones who have died, especially those within the last year. At the Saturday 5:00 p.m. Mass on November 2<sup>nd</sup>, we will read the names of all those who have been buried from our parish within the past year.

During the month of November, there will be a memorial table set-up in church that will be devoted to our beloved dead. Parishioners are invited to bring pictures, mementos or holy cards of their family and friends and place them on the memorial table. We will hold these persons in our prayers over the next several weeks and thank God for their faith and love.

## • Did You Hear the One About?

Thank you to all who participated in our Save Our Souls Fundraiser at The Second City. It was a great night of some very creative comedy and good fellowship as parishioners had a chance to meet and mingle. I am grateful for all who worked hard behind the scenes to make the evening so enjoyable and memorable.

Even though I had a small part in one of the skits, my older brother Brian gave me some good advice, "Kid... keep your day job." Here are a few pics from the night.

So, you've heard of Spiritual Direction but are not quite sure what all it entails. What exactly is a Spiritual Director? It is someone who is there to help you notice how God is in the midst of the ordinary experiences of your life journey.

Is it professional counseling? No. Is it a problem-solving practice? No. It's not like fixing anyone or anything. It's more like a wellness practice. Spiritual direction is a one-to-one personal relationship where confidentiality is respected. It is a "safe place" to share without judgement or criticism.

My name is Denise Ryan. I am a wife, a mother, a grandmother as well as a seeker like you. I embarked on the study of spiritual direction/spiritual presence because, like you, I was searching for divine connections within my own life history.

Where are you feeling out of balance? When or where are you most likely to be aware of God's presence? Do feel that God is "missing in action" in your prayer life? We can explore these kinds of questions together through attentive listening and prayerful consideration. I truly believe that the Holy Spirit has guided me into this ministry and God's Spirit is moving throughout spiritual direction.

If these questions resonate with you, perhaps you would benefit from journeying with a Spiritual Director.

I can be reached at: [denisebryan06@comcast.net](mailto:denisebryan06@comcast.net) if you have questions or would like to make an appointment.

#BLESSED

Social media is where it's all happening. (Did I mention you can follow @jooyouthministry on Instagram?) What we see online is influencing every part of our lives (there's now a whole CAREER being made by "Influencing!")

Today in the Second Reading, Paul is writing to the Thessalonians reminding them of who they're rooted in: Jesus. He tells them not to be "shaken" or "alarmed" by an "oral statement, or a letter allegedly from" believers. Even ancient people were being "influenced" by famous speakers of their time! Those who got rich quick, those who claimed to know God (without really doing anything to actually be in relationship with Him...)

It can be really hard to navigate this world. It's so secular! Nobody famous seems to be religious or faithful! (Except maybe Kanye and Bieber but....IDK. Do they count?) Why does it seem like celebrity and faith don't go together? How do you live your faith when all of the people you follow and all of your friends are non-Catholic?

That's what we're going to talk about at Youth Group tonight! 6-8PM at IC. We're going to play some celebrity inspired games and then chat about how Tik-Tok is changing our lives (and I'm going to take a lot of notes. I just don't GET TikTok. Someone come explain it to me!)

And don't forget: We have service opportunities coming up! Check out the opportunity below and reach out to me if you have any questions! With love, Madison
